How about we keep the original 5:15p, eastern time (Matt, I'll swing by your office at 3:15p) - let me know if that doesn't work. Thanks.

Did I say I was available before 5:15 EDT? It now appears I am only available 4:15 EDT or later so the window has shrunk but let me know what works for you. My apologies.

Matt, do you want to keep a 3:15 time to call Casey or do you want to do it earlier (see below availability)?

My week has just freed up substantially so I can speak with you earlier in the day if that's preferable for you and Matt. My only scheduled conflict now is 1:30-2:30 EDT. Let me know when you want to schedule this and I'll expect your call then. Thanks.
